

NOTE: This order is nonprecedential.

**United States Court of Appeals
for the Federal Circuit**

DNA GENOTEK INC.,
Plaintiff-Appellant

v.

SPECTRUM SOLUTIONS LLC,
Defendant-Appellee

2023-2017

Appeal from the United States District Court for the
Southern District of California in No. 3:21-cv-00516-RSH-
DDL, Judge Robert S. Huie.

DNA GENOTEK INC.,
Appellant

v.

SPECTRUM SOLUTIONS LLC,
Appellee

2024-1840

Appeal from the United States Patent and Trademark Office, Patent Trial and Appeal Board in No. IPR2022-01347.

ON MOTION

O R D E R

Spectrum Solutions LLC moves to have Appeal Nos. 2023-2017 and 2024-1840 be treated as companion cases and assigned to the same merits panel, but the parties have since filed a joint stipulation of voluntary dismissal, with each side to bear its own costs, for Appeal No. 2024-1840.

DNA Genotek Inc. notes that in view of joint stipulation of voluntary dismissal, “all the claims in [U.S. Patent No. 11,002,646] that Genotek had been asserting in [Appeal No. 2023-2017] are unpatentable” such that “the issues in [Appeal No. 2023-2017 are] narrowed to those relating to [U.S. Patent No. 10,619,187].” Appeal No. 2023-2017, ECF No. 41 at 2.

Accordingly,

IT IS ORDERED THAT:

(1) Appeal No. 2024-1840 is dismissed, with each side to bear its own costs as to that appeal. *See* Fed. R. App. P. 42(b)(1).

(2) The motions to companion the appeals are denied as moot.

(3) The Clerk of Court shall transmit a copy of this order to the merits panel assigned to Appeal No. 2023-2017.

FOR THE COURT

Jarrett B. Perlow
